PAREKH COLLEGE BROCHURE CONTENT

Chairman's Message from the Desk of Hon. Shree. Madhukarbai B. Parekh

The wealth of a nation is in its educated men and women. In a competitive world where global Market share is determining winners and losers among nations, it has become increasingly necessary to ensure that, besides a sound education, our students have the ability to engage and win in the global context.

Having embraced the glory of reason, believing that Knowledge is Power, Knowledge is Safety, Knowledge is Happiness, we understand that The Group of Parekh College can be a powerful force - a place where thinking people can act and interact, not just to share old knowledge but, to make new knowledge. And, in the course of making new knowledge, these people are themselves remade and transformed. They become leaders - not just capable students, not just competent workers but, men and women with ideas of their own, ready to change the landscape of the future.

Although the excellence of faculty, the dedication of our staff and the interest and the support of our patrons are essential ingredients contributing to our success, the caliber and commitment of our students is most vital. We expect our students to have the motivation to go through rigorous programs and realize their full potential.

The teaching at The Group of Parekh College has consistently been assessed excellent and commitment for excellence has definitely carved out a niche for ourselves in the academic arena in this part of Gujarat. If you decide to come here, you will never be without help and support, wherever you are.

***Managing Trustee's Message from the Desk of Shree. Pankajbhai R.
Ruparel***

It is indeed a pleasure to witness the growth of The Group of Parekh College its inception in 1956. To excel in today's fast-moving world, it takes a special kind of skill to rise above the rest. It requires left brain, right brain thinking that is able to concentrate, conceptualize and connect. The skill is about synthesizing information and arriving at innovation. We would like to place on record on our own behalf and on behalf of the entire management our warmest appreciation on the excellent performance by the students who passed since 1956. We are sure that in the years to come the students of the College will rise to greater heights of performance and bring credit to themselves and the Institution which has nurtured them.

We are sure the students and parents would have taken note of the various changes introduced in the affairs of the College to streamline the performance of various systems constituting parts of the College. The trust members visualize the future of our education system and offer the best education at The Group of Parekh College. The trust is committed to imparting knowledge to all those who aspire for it. It is also our mission to offer various job-oriented courses in consultation with industries to give importance to the practicality of life.

Commitment to Education is our strength.

Shri Parekh Science, Arts & Commerce College
Affiliated to Maharaja Krishnakumarsinhji Bhavnagar University

About College:

This institution was established in 1966. The main donor of this college is Mr. B.K. Parekh has a dream to establish a science college in rural area so that the students of villages could get a chance to study in science stream. So first of all Shri Kalyanaji Valji Parekh Science College had started. At the same time Matushri Triveniben Kalyanji Parekh Arts college had also started for those who are not eligible for the faculty of science. After that as per demand of time Smt. Gulabben Sushilkumar Parekh commerce college had started in 1978. Thus this college has three wings now a days – Faculty of science, faculty of arts and faculty of commerce.

The vision of the college was to provide qualitative higher education to the students coming from rural areas and disadvantage of section of the community. The mission of the college is to empower the students through providing them sufficient facilities of higher education and to make them self reliant after completing their graduation. More over the students can imbibe ethical values and cultural heritage, so vital in the knowledge based society of recent time. This would also enable them for their personality development and carrier building. To achieve this, the institution organizes curricular, co-curricular and extracurricular activities. The college has to adopt the syllabus prepared by Bhavnagar University and recommended by UGC. Generally the institution updates the curriculum after every three year as per the guideline of the university. Thus university and the college take care of global competence of the students. The subject combinations lend and inter disciplinary approach.

Looking towards increasing demand of higher education the college gives wide publicity in local news papers for admission in the college, after the announcement of the result of HSC examination. The admission process is well organized and transparent. The students' weaker sections and particularly SC / ST / OBC categories are given priority in admission. Sports man, girls students and physically handicapped students are also given precedence. Slow learners are given special attentions. The extracurricular activities like NSS, NCC, Cultural sports and athletics are organized by the college which helps to draw out tentiality of the students and help them emerge as responsible citizens democratic India.

A very well planned teaching and evaluation programs promote the students to put in hard work and due to personal care and guidance, the students outshine in the university examinations, get ranks and earn prizes. For the qualitative and meaningful teaching irrespective to each subject, the importance research activities of faculty members is well recognize and for the same the institution has set up a research committee in the college for the promotion of the research. For this purpose, the faculties are encouraged to participate the conferences, seminars, workshops and

for all these, duty leave and TA / DA are provided them from the PTAC grant. About 25% of permanent teachers are Ph.D. and one is M.Phil. 30% of permanent teachers are registered as Ph.D. students and will complete their thesis within one or two years and will get Ph.D. degree.

From the starting of the college it has planned out its requirement and laid out its expansive infrastructure for conductive academic activities. These facilities are well utilized and are well maintained. The college gets UGC grants for the development programs. The management supports to fulfill the remaining financial needs of the college.

The socio economics profile of the college of the last two years reveals the increasing proportion of the students of the weaker section and the same of the girls students, which is a healthy sign,

The college cares for the students and makes effort to prevent them drop out from studies. They are guided for further studies. They are given information regarding placement. They are guided for the competitive examinations. Thus wellbeing of the students is the main concern of the college. The brochure of the college provides lucid information regarding the goals and academic and cocurricular activities of the college and the annual magazine of the college Madhupark gives the information of the achievements of the students and the college.

For the smooth functioning of the college, it has set up several committees to enlist support and participation of the faculty members and the administrative staff of the college. The college has signed MOU with outside agencies. The college promotes faculty members in their professional carrier development. The college has organized computerized accounting system. The college has established a new library building and a gymkhana during last two years. The college has maintained a computer lab with fully equipments with internet facility. The college management is constantly in touch with principal and provides guidance and financial assistance when needed. This way this college is an ideal example of good governance and management.

Our Vision :

We intend to educate and awaken the students of diverse backgrounds; i.e. students of urban and rural areas, girl students etc., and make them healthy, prejudice – free individuals who may be able to create productive career themselves, developing the feelings of nationality providing student centered and practically focused quality learning experience to students.

Our Mission :

To be a full grown educational institute educating and preparing students to meet the challenges and deal with the prospects of the rapidly changing scenario of the complex world. To develop the overall personality of the students and create excellent and healthy citizens with spirit of nationality and fraternity by providing a warm, healthy and family like atmosphere;

making them free from the ties of caste, class, gender etc. complexities by organising various programmes & activities.

Course Offered :

B.Sc. – Main Chemistry
B.A. – Main Gujarati,Hindi,English,Economics
B.Com. – Finance & Account,Marketing,MIP
Ph.D. – Hindi,English,Commerce

Facilities :

Science Lab
Computer Lab
Library
NAMO Wi-Fi
Digital Bell
Fire Safety Equipment
CCTV Camera

Under The Management of Shri Balvant Parekh Education Trust
Smt. K. B. Parekh College of Computer Science
(BCA, M.Sc.IT, PGDCA)
Affiliated to Maharaja Krishnakumarsinhji Bhavnagar University

Smt. K. B. Parekh College of Computer Science is a pioneer institute in establishing industry-driven, job-oriented, skill-based technical education in the entire Bhavnagar district since its inception. We invite experts from all the concerned field time to time to impart the ever-demanding thrust of practical knowledge which is the need of time in present era. We also focus on building humanitarian values, awareness social responsibilities and ethics amongst fellow students.

We have marched towards the completion of two decades (20 Years) at Smt. K. B. Parekh College of Computer Science, Mahuva with the constituents, are a family of some 10 staff member faculty 200+ students being educated at undergraduate and postgraduate levels in Computer Science discipline.

With a picturesque campus on nearly 6 acres (5.564) of land in the lap of nature, Smt. K. B. Parekh College of Computer Science, Mahuva, affiliated to Maharaja Krishnakumarsinhji Bhavnagar University, is ended a truly materialized dream of Shree Balvant Parekh Education Trust, which commenced its mission of higher education in a rural and educationally backward region - Mahuva in 2000.

Besides all adversities and difficulties, the college grew manifold and created a distinct place of pride in the region and acquired unique position on the academic map of Maharaja Krishnakumarsinhji Bhavnagar University as it has been carefully nurtured and nourished, with institutionalized efforts over the years by the industrious Chairman of Shree Balvant Parekh Education Trust, Shree Madhukarbhai Parekh and the members of the trust together with the all- round endeavor by the staff members.

About Courses

Computer Science leading to the 3 different layers of degree programme.

Course Name	Intake Capacity
1. Bachelor of Computer Application (BCA)	120 Students (2 Class of 60 Students each)
2. Master of Information Technology (M.Sc.IT)	1 Class of 60 Students
3. Post Graduate in Diploma of Computer Application (PGDCA)	1 Class of 60 Students

Computer Application courses is aimed at developing the computer professionals in the wide range of application areas such as business sector, government sector, scientific research, medical science, social science, management communication etc. This course also caters to the need of Industry and works as a bridge between the student and industry.

These courses prepare the students to be come equipped with skills required to sustain and grow in the market. The recent employment pattern shows companies like TCS, Wipro, Satyam, Metro Shoes, and Vodafone etc. recruiting BCA students for ongoing projects.

BCA

This is a Three-year degree program leading to the degree 'Bachelor of Computer Application'. The course is aimed at developing the computer professionals in the wide range of application areas such as business sector, government sector, scientific research, medical science, social science, management communication etc. This course also caters to the need of Industry and works as a bridge between the student and industry.

BCA course prepares the students to be come equipped with skills required to sustain and grow in the market. The recent employment pattern shows companies like Wipro, Satyam, Metro Shoes, and Vodafone etc. recruiting BCA students for ongoing projects.

M.Sc.IT

M.Sc.IT is a two year post graduate course, which is equivalent to MCA. It contains 4 semester each of which having 3 theory subject and 1 practical subject.

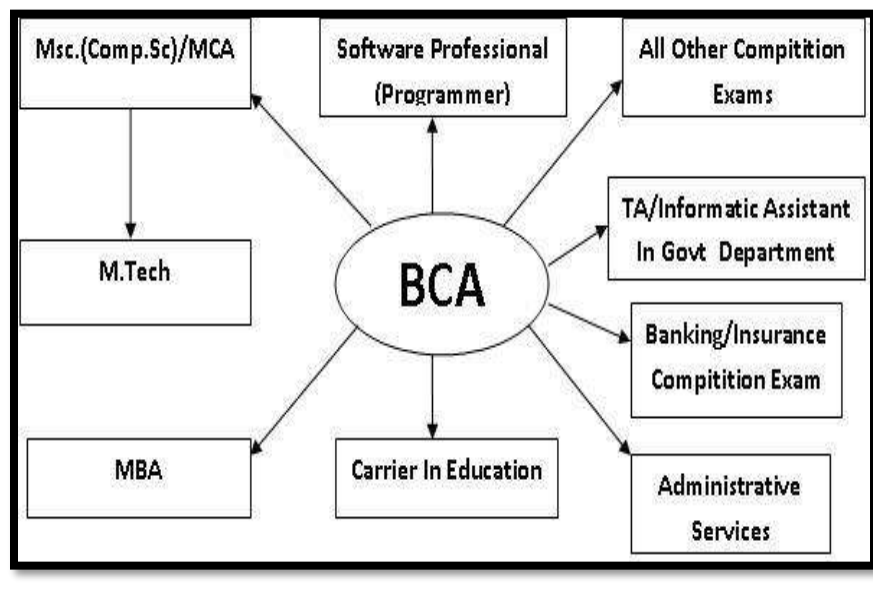

PGDCA

Post Graduate Diploma in Compute Application (P.G.D.C.A.) is a one year post graduate diploma course. It contains 2 semesters, having 6 theory subject and one practical subject in each semester.

Why B.C.A.?

- The course is specially designed for fresh under-graduates student who want to shape their career in Computer Industry, Academics and various computer oriented jobs and services like...
 - Computer Programmer
 - System Analyst
 - Computer Operator
 - Software Engineer.

Chances / Scopes for further Studies:

Application Area's of Earning after BCA

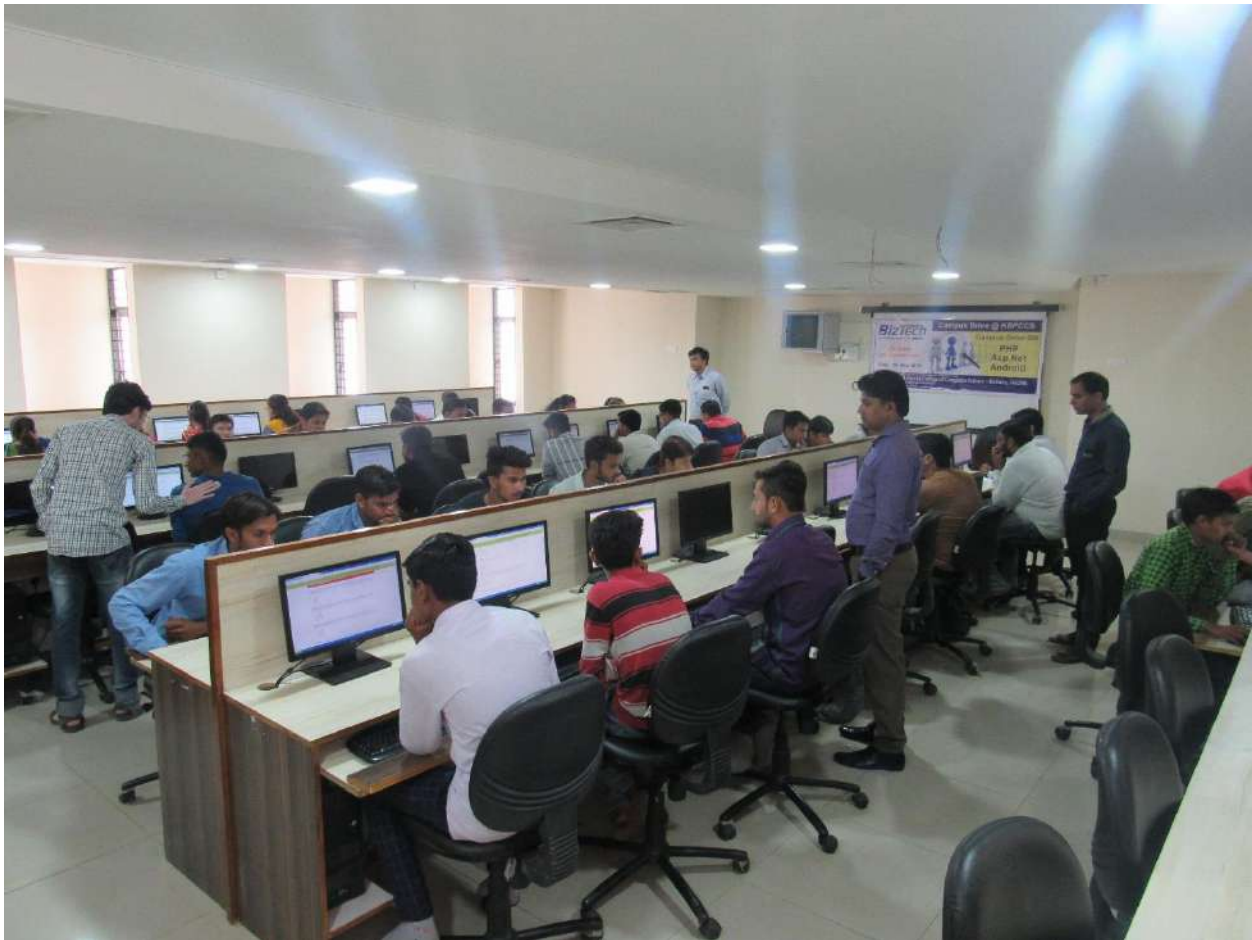

Talking about the private sector, there are many software MNCs (Multi National Companies) which recruit the BCA graduates for any of the following posts:

- Software Engineer
- Project Manager
- System Administrator
- Database Management professional
- Information Management professional

- Software Architect
- Computer System Analyst
- Computer programmer

BCA COLLEGE EVENTS & ACTIVITIES

WORKSHOPS/SEMINAR HOSTED BY SMT. K. B. PAREKH COLLEGE OF
COMPUTER SCIENCE:

Under the Management of Shree Mahuva Education Trust

Smt.K.B.Parekh College of Computer Science

In association with

2 Days

Workshop On

App Development

Date : 15,16 Dec. 2016

-: Venue :-

Smt. K. B. Parekh College of Computer Science,
Gayatri Nagar Road, Near Parekh College,
Mahuva 364 290, Dist: Bhavnagar

-: Workshop Flow :-

Day : 1

- 1) Introduction on Mobile Application Development
- 2) Basic understanding of Objective-C Language used for iPhone App Development
 - 2.1) Data Types
 - 2.2) Function Declaration
 - 2.3) Looping & Control Structure
 - 2.4) NS Array & NSDictionary
 - 2.5) .h & .m File
- 3) iPhone Application Development
 - 3.1) Introduction to Application Template.
 - 3.2) Introduction to Different control used for app development
 - 3.3) Inbuilt Controller for User Interface
- 4) Introduction Web-Services & JSON Parsing

Day : 2

- 1) Live Application Development

Workshop Attractions:

- Certificate to every Participants from iSoft
- Lunch & Break Fast for Every Participants
- Deliverable by Expert
- Discussion and Knowledge on most Powerful & Secured App Platform

Time Flow

Day : 1

- 09:00 to 09:15 Inauguration
- 09:15 to 12:00 Session : 1
- 12:00 to 01:00 Lunch
- 01:00 to 03:00 Session : 2

Day : 2

- 09:00 to 09:30 Breakfast
- 09:30 to 12:00 Session : 1
- 12:00 to 12:15 Conclusion

Workshop Conducted By : Mr. Asadali Govani (Founder & CEO, iSoft IT Solutions)

Mr. Pranav Pathak (I/c.Principal)

Organized by :

Mr. Amit Bhaliya (Workshop Coordinator) Mr. Shivam Gadhadara (Workshop Coordinator)
